

Welcome to **CARILLON PARC**
SOUTHLAKE

Southlake's newest & most exclusive master planned community will feature luxurious custom homes from 5 of Southlake's premier Custom Home Builders.

This alluring new development is inspired by old-world architecture with over-sized sidewalks & cobblestone details. In addition to exclusive, upscale residences, Carillon Parc features a luxury boutique hotel, innovative office spaces, advanced health & wellness offerings, chef-driven dining, & luxury shopping anchored by an expansive park with water features & a beautifully-landscaped central plaza.
